RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

Public Utility Commission (PUC) – The PUC is maintaining SOC coverage on a 24-hour basis during this activation. Texas utilities have been advised of the activation and provided with contact information for the PUC's Emergency Management Response Team. There are currently minimal outages to report with the largest group of outages being approximately 1100 customers in Harris County and CenterPoint is actively working to restore these customers. The PUC will continue to monitor the situation and provide updates as information becomes available

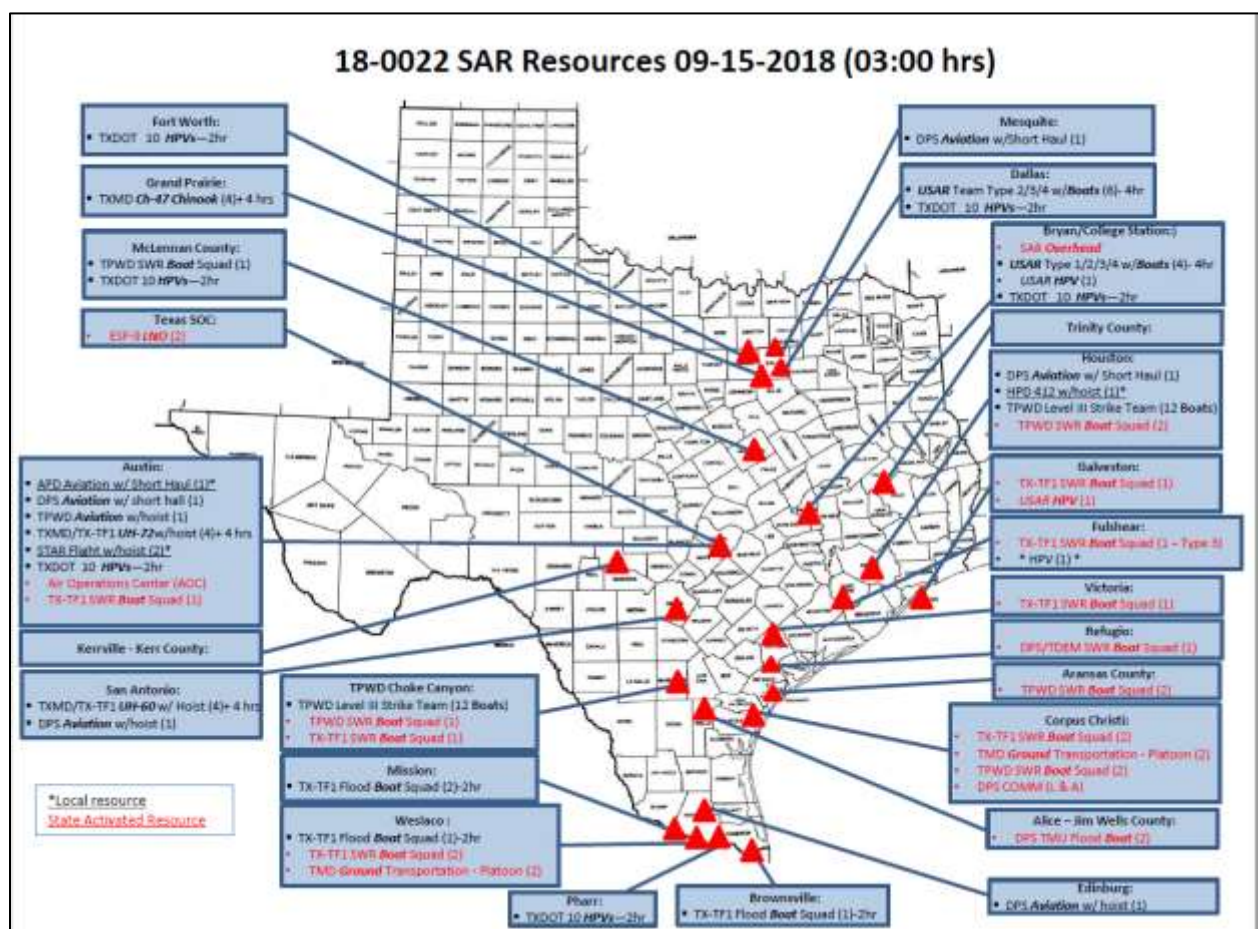

Texas A&M AgriLife Extension (AgriLife) – Current and continuous flooding issues in South Texas with anticipated evacuations from low lying areas prompting Texas A&M AgriLife County Extension Agents personnel to support the local EMCs with the activation of the Companion Animal and Livestock Sheltering Capabilities.

County Extension Agents from across a 32-county area from Victoria, San Antonio, and Laredo continue to remain in contact with county elected officials and emergency management personnel related to any needs or issues associated with animal sheltering.

Extension personnel have notified farm and ranch operators to move livestock and farm equipment from low lying areas to avoid/minimize flood damages.

Agency web and media communications personnel have finalized updating the web and social media resources and published news releases related to preparedness public information and education. Agency personnel have been activated for state resource coordination at the State Operations Center in Austin. Agency personnel have been supporting efforts to locate water pumping equipment at the request of SOC.

Texas A&M Engineering Extension Service (TEEX) Texas Task Force – 1 (TX-TF1) – Emergency Support Function-9 (ESF-9) is currently staffing positions in the SOC. Moving swift water rescue boats to support local resource requests as necessary.

Texas A&M Forest Service (TFS) – Currently staffing positions in the SOC and DDCs 16B, 17 and 21.

Texas Animal Health Commission (TAHC) – Currently staffing a position in the SOC and DDC 21 to help maintain situational awareness, monitor WebEOC, the STAR Board and support operations as needed.

TAHC Regional/Field staff are engaged with local jurisdictions, producers and ranchers, and DDC contacts to maintain situational awareness, determine readiness and needs, and support preparatory activities as necessary.

TAHC emergency management, regional, and administrative personnel continue to monitor weather and field conditions across the state. All TAHC field personnel have been assigned or placed on stand-by status to respond to local requests in their assigned jurisdictions.

Texas Commission on Environmental Quality (TCEQ) – Currently staffing positions in the SOC.

Texas Department of Agriculture (TDA) – Currently staffing positions in the SOC.

Texas Department of Criminal Justice (TDCJ) – Currently staffing positions in the SOC.

Office of the Attorney General of Texas (TXOAG) – Currently providing support in the SOC.

Texas Department of Family Protective Services (DFPS):

Child Protective Services (CPS): The majority of our DFPS foster homes, relative kin caregivers and licensed foster homes in the impacted areas have been contacted and are safe. The remaining homes have received messages from caseworkers to ensure they are safe and are following emergency evacuation procedures. CPS requested information regarding counties in North Carolina, South Carolina and Virginia which are most likely to be impacted by the storm in order to prioritize their efforts to begin checking on Texas children in foster care placements in those areas. This information was provided to CPS through coordination at the SOC.

Adult Protective Services (APS): No new updates. APS isn't reporting any challenges and has been able to maintain normal operations.

Statewide Intake (SWI): No new updates.

Texas Department of Information Resources (DIR): Currently staffing positions in the SOC.

Texas Department of Housing and Community (TDHCA): Currently staffing positions in the SOC.

Texas Department of Transportation (TxDOT): Currently staffing positions in the SOC. The TxDOT EOC moved to a reduced level of readiness at 4:00 PM on September 14, 2018. TxDOT demobilized the remaining debris strike teams in the San Antonio staging area that were not sent to DDC 21. Mobilized water barrier install teams to DDC 21. Assisting with STAR requests for

transportation of water pumps and sandbagging equipment to DDC 21. Monitoring roadways for high water and providing traffic control, barricades and detours as needed.

Texas Department of Public Safety (DPS) Texas Highway Patrol (THP) – THP is currently monitoring conditions in affected areas related to the potential for heavy rain and flooding. THP Tactical Marine Unit (TMU) personnel are on stand-by and are staged at various locations around the state. The TMU Rescue Swimmers are prepared to deploy with DPS Aviation and the TMU swift water rescue teams are on stand-by with boats. Boats are staged at Choke Canyon, in the Coastal Bend and Rio Grande Valley. The TMU is coordinating with the TPWD and TX-TF1 to potentially stage additional water rescue resources.

THP Commercial Vehicle Enforcement (CVE) troopers conducted 20 bus inspections at four staging locations in preparation for the possible evacuation of citizens. One bus was placed out of service and had to be replaced.

Texas General Land Office (GLO) – Currently staffing positions in the SOC. All equipment is fueled, staged and ready for deployment.

Texas Health and Human Services Commission (HHSC) – HHSC SOC Liaisons and 211 Liaisons have been assigned to the SOC to support the state's activities.

Regional Administrative Services (RAS) is making flood preparations for the tropical system. Staff is monitoring conditions and participating on the listen line on the daily SOC calls and are on standby should any additional action be necessary.

Medicaid and CHIP Services (MCS) staff reminded managed care organizations (MCOs) through official notice to review disaster and contingency plans, to report any closures or rerouting of call center or claims work, to maintain daily with HHSC about any members affected or moved, and to continue to review provider network capabilities. No unmet needs at this time. MCS staff are engaged in preparatory activities for potential weather escalation.

HHSC Behavioral Health Services: (BHS) All Local Mental Health and Behavioral Health Authorities, contracted Substance Use Disorder Facilities, Residential Treatment Centers, and Outreach Screening Assessment and Referral Centers remain operational at this time.

Disaster Behavioral Health Services (DBHS) personnel are activated and currently engaged in preparatory activities in anticipation of needing to support local jurisdictions:
HHSC Regulatory Services Division:

Long-term Care Regulatory (LTCR): No unmet needs at this time for long-term care providers, including nursing facilities, assisted living facilities, intermediate care facilities, and home and community-based services waiver providers. LTCR regional staff are in communication with local DDCs/participating in scan calls. In affected areas of the gulf coast and south Texas, staff are in daily communication with providers to monitor their status.

Health Care Quality (HCQ): No unmet needs at this time for providers, who include hospitals and dialysis centers. No activities to report.

Child Care Licensing (CCL): No unmet needs at this time for providers. One daycare operation in the Houston area has flooded and the operation has relocated. Staff are contacting all 24 hour child care operations and all residential operations in affected areas to ensure operations have and are familiar with their evacuation plans.

Complaint and Incident Intake (CII): No unmet needs at this time. No activities to report.

Provider Investigations (PI): No unmet needs at this time. No activities to report.

Health & Specialty Care Systems (HSCS): All coastal and potentially impacted inland facilities have logistically prepared for sheltering in place, should there be a need. Facilities have topped off vehicles, generators and fuel storage tanks. Water, food, medication, linen and personal hygiene supplies are stocked. Facilities are providing updates to their staff on weather forecasting and have communicated the potential need to remain at the facility and shelter in place, including professional and administrative staff to support these efforts. There are no unmet needs at this time.

Area Agencies on Aging (AAA): We have called all of our providers and staff are in daily communication with providers to monitor their status.

2-1-1 Texas: Top needs reported by 2-1-1 Texas Information and Referral Network caller remain largely unchanged from yesterday. STEAR registration remains in the top 5 reported caller needs categories. As is typical for the end of the week, call volume has declined from yesterday. Call Volume for September 13th: 7,602. Total Call Volume since September 12th: 15,930

Texas Military Department (TMD) – Currently supporting the state with SOC support personnel and SOC Logistics Section Support; Military District Coordinators (MDCs) have been assigned for DDC's 17, 18B and 21. The Air Operations Center (AOC) and a Ground Transportation Company are active. A total of 87 personnel and 21 High Profile Vehicles (HPVs) are on state active duty. One Heavy Rotary Wing MRP and one Light Rotary Wing MRP have been activated to support search and rescue operations with TX-TF1 rescue swimmers.

Texas Parks and Wildlife (TPWD) – Game Wardens and State Park Police have activated personnel and equipment to deploy to the potential tropical storm. Currently, TPWD SAR Boat squads are relocating and staging in South Texas in anticipation of isolated heavy rains and flash flooding in the region.

Railroad Commission of Texas (RRC) – Currently staffing positions in the SOC. RRC posted and distributed a Notice to Regulated Industries regarding the storm: http://www.rrc.texas.gov/media/47624/notice-to-operators_tropical-disturbance_9-14-2018.pdf

RRC is currently sharing severe weather warning notice on social media and web site. They have also notified legislative leadership and legislative members in impacted areas.

Texas Department of State Health Services (DSHS) – DSHS Emergency Medical Task Force (EMTF) resources are standing by for mission requests to support potential flooding in South Texas. RHMOCC (Regional Health Medical Operations Center) 11 has deployed an ESF-8 LNO to

DDC 21. DSHS deployed four Medical Incident Support Teams (MIST) and one Forward Operating Group Supervisor to support coach buses for Lily Pad Operations. DSHS has provided TDAP, Hep A and Flu vaccines to first responders.
